

2018 Service Unit Cookie Rally

Altogether Awesome!

Get the girls excited about the 2018 Cookie Program!

Plan and host your SU's Cookie Rally. Make the rally even more fun by joining together with neighboring Service Units!

Remember, if your Service Unit hosts a rally, has a 5 percent increase in sales volume over last year, and ensures the troops have paid or submitted the delinquency paperwork by the deadline, your Service Unit will receive a bonus* of one cent per box on all sales for the Service Unit treasury!

(*Rally forms must be received prior to the rally.)

At your rally, use the 7-pack sampler you received as samples so the girls become familiar with the cookies. You can request limited quantities of additional cookies to be picked up at select Girl Scout offices. Visit littlebrownie.com for ideas to add to the fun and learning with crafts, activities and games.

Submit this form a minimum of three weeks prior to your rally if you are requesting additional cookies.

(Reminder: Girl Scout offices are closed December 23, 2017 – January 1, 2018.)
