

Forest County School District

Troop 30716 – Tionesta

We used our profits from the nut and candy sale and the cookie sale, to attend the Camp In for Girl Scouts at COSI (Center of Science and Industry) last year. It is a fairly expensive trip but we did have leftovers and were able to go on an end of the year overnight camping trip to Tionesta Lake. We have taken the trip to COSI for about 12 years or more and the girls really look forward to it. It is a great trip and a quality program.

We also gave a box of each kind of cookie to the Proper Building here in Tionesta. We have done this for many years also. This apartment building houses older citizens, most on limited incomes and some who are grandparents, other relatives or friends of the girls. They provide one meal a day, lunch, for the residents and they place the cookies on trays for dessert for that meal. We usually visit with some residents when we deliver the cookies, do a flag ceremony and sing songs...but the day we went in April, no one was available.

Troop 30720 – Marienville

We donated boxed of cookies to our local food bank. We used the money for a trip to the Pittsburgh Benedum Center to see a ballet production of Cinderella. We also went to the Duquesne Incline in Pittsburgh and learned about the history of Pittsburgh as well as the surrounding area.

Troop 30410 – Tionesta

Our troop used their cookie proceeds to attend a trip to Waldameer Park. We also used the money to go to Cosi in Columbus, Ohio. We gave two cases of cookies to the Forest County food bank.
