

## **Indiana County School District**

### **Troop 40858**

Our troop traveled to eastern PA and went whitewater rafting in the Pocono's, camping out but staying in cabins. The girls also rode zip lines through the trees. Relocating to a great Girl Scout camp in the Pocono's, the troop toured the Crayola Crayon Factory in Easton, visited the huge outlet malls and enjoyed eating at the Olive Garden and other restaurants. We also cooked over an open fire and thoroughly enjoyed the surrounding nature.
