

## **Warren County School District**

### **Troop 30699 – Youngsville**

Troop 30699 Junior Girl Scouts of Youngsville, PA take an inherent interest in giving back to the community. They all meet and vote on which charities/organizations to give to each year. They incorporate it into their overall cookie goal. Each year is different for them; they try and give to more than one organization.

For program year 2008-2009, the girls budgeted a portion of their cookie proceeds in their troop treasury and purchased Toys for Tots, selected toys and clothes for Shriners' Hospital in Erie, PA, purchased hygiene items for A Safe Place in Warren, PA and picked and purchased baby girl items for the first girl born on March 12, 2009 at Warren General Hospital in Warren, PA. The remaining proceeds were used for a troop field trip to Niagara Falls, NY where the girls got to ride the Maid of the Mist, eat at Hard Rock Café and sleep in the Niagara Falls Aquarium.

Submitted by: Jennifer Fox-Riggin, GSWPA Membership Manager (whose daughter, Emily belongs to this troop)

### **Troop 30921 – Warren**

Daisy Troop 30921, leaders Missy Shene, Ellen Wilson, Kristy Kramer and Becky Dippold along with their daisies traveled to Erie in June using their profits from cookie sales.

In Erie the girls visited the Erie hands on Science Museum, had lunch at Eat N Park and finished the day at Build a Bear, where they got to make a new stuffed animal friend who they made into Daisy Scouts by buying blue daisy vests for their animals.

Also, the girls in our troop generously chose to donate 20 boxes of Girl Scout cookies to the U.S Troops. We thought that they might enjoy a little bit of home. The girls made thank you cards to send with the cookies to tell the troops how much they appreciate what they are doing for our Country. Mr. and Mrs. Joby MCCAuley came to our meeting to get the donated cookies and thank the girls on behalf of the troops. We, the leaders were very proud of our little Daisies.
