

## **Ingram School District**

### **Troop 50193**

Daisy Troop 50193 of West Montour Service Area has decided to send our donated cookies to The U.S. Armed Forces. We have some orders from our troop sales. We have a lot of cookies to sell for our booth sales. We have a large poster that we hope will catch the attention of everyone who walks by. We are determined to send as many boxes over seas as possible. Wish us luck!
