Troop 30765

Troop 30765 raised enough money last year to go to Washington DC. We met with Kathy Dahlkemper on the Capitol steps. She gave us passes to go into the Congressional Chamber and watched them vote. We also performed a wreath laying ceremony at George Washington's tomb at Mt. Vernon. We made our own wreath from things we collected along the shores of Lake Erie. At the ceremony we said a reading and then sang "This Land is Your Land". We walked all over the Capitol Mall, visited several Smithsonians, went up the Washington Monument & had a great time!
