Aviation Day Celebration

The day's agenda includes the following activities, all designed to meet the requirements for the Aviation Merit Badge:

1. Aviation Education – attendees are given an educational presentation on Aviation, focused on the educational requirements of the Boy Scout Aviation Merit Badge
2. Aeronautical Charting – attendees are led by a pilot through the process of plotting an aeronautical course on an aeronautical chart
3. Airport Tour – attendees follow a guided walking or driving tour of the Airport
4. Pre-Flight Inspection – attendees follow a pilot in a guided pre-flight inspection of one of the aircraft on display
5. FPG-9 Competition – attendees create their own FPG-9 Styrofoam Plate Glider to use in a friendly competition

In addition, the following exhibits will be on display for interested attendees:

1. Aircraft on exhibit!
2. Aviation Career exhibit featuring how-to-information on aviation careers!
3. Airplane Instrument Panel exhibit!
4. Aeronautical Chart exhibit w/tips on how to read!

All attendees/ groups need to bring are chaperones, a box/bag lunch, a love for fun and an interest in Aviation!
