Girl Scouts provides a girl with activities that are safe, fun and enjoyable; where she can make friends, develop new skills, start building values for the future and make a difference in her world.

It's your time with her...do great things!

*WHAT DID YOU DO TODAY?*

# WHAT DID YOU DO TODAY?

What your daughter gets out of each day is up to you. So, did she have any amazing adventures today? Non-stop fun? Did she have a chance to discover her potential? To build confidence? Girl Scouts 2010 offers endless ways to turn boring days into days she'll remember all her life.

## **Think it's a full year commitment?**

**Think again.** Have a busy schedule? No problem. There are so many flexible new ways to participate. Girls can spend a day at a sports clinic. Or at the zoo learning to care for animals. Sleep over at the science museum. Even learn to speak Swahili! Choose one or choose them all.

## **The experience can be as individual as each girl.**

Which road will you go down? Choose one or choose them all. What's cool about Girl Scouts 2010 is there's not just one way to be one.

***"My best friends are Girl Scouts too."***

**Camp.** Does your daughter love learning about nature and the environment? Girls can choose to camp with us by day or overnight.

**Events.** Most girls have more than one passion. Maybe storytelling, and acting and dancing. Choose events centered on your daughter's favorites.

**Series.** Everything's more fun when you're sharing it with others who love the same things. Our series let girls explore interests together in a way that fits their schedules.

**Travel.** Want your daughter to go places? Girl Scouts do. When they see and experience new things, it's always an adventure they'll never forget.

**Troop.** Meeting regularly, girls can share amazing experiences...learn to make a difference in their community... and have lots of fun!

**Virtual.** Girl Scouting via the Internet? Hey, it's 2010. As a virtual Scout, girls can join in exciting interactive activities with girls their age.

Girl Scouts 2010 offers more choices and more reasons than ever to join.
