

The Muffin Song

This is a repeat after me song

And a do as I do song

Three little muffins in a bakery shop

You know the kind with the honey and the nuts on top

In walks a boy with a penny to spare

And he takes that muffin right out of there

Two little muffins in a bakery shop

You know the kind with the honey and the nuts on top

In walks a girl with a penny to spare

And she takes that muffin right out of there

One little muffin in a bakery shop

You know the kind with the honey and the nuts on top

In walks a grandma with a penny to spare

And she takes that muffin right out of there

No little muffins in a bakery shop

You know with the kind with the honey and the nuts on top

In walks a dinosaur with a penny to spare

And

There

Were

No

Muffins
