ADDITIONAL PROCEEDS OPTION AGREEMENT

(Option is open to Junior, Cadette, Senior and Ambassador Troops and Indie Girl Scouts)

MagNut Program 2021

Junior, Cadette, Senior and Ambassador Girl Scout Troops and Indies, through unanimous troop vote can opt out of receiving individual rewards and earn additional proceeds of 5 percent for the troop treasury. The entire troop must participate in this option, because opting out cannot be done on a girl-by-girl basis. If the girls vote unanimously to take the additional 5 percent (which brings total proceeds to 20 percent) all monies would belong to the troop as a whole. (See Volunteer Essentials)

Troops that vote for the additional proceeds will also receive the program patches if levels are met.

We, the girl members of Troop #____of Service Unit #_____ - _____
have voted unanimously to accept the Additional Proceeds Option. We understand that in accepting that option we are not eligible to receive individual rewards. We also understand that all the proceeds earned through the MagNut Program belong to the troop and not to the individual.

All troop members must sign the agreement. *Use the back of this page if needed.*
