

2019 MagNut Program
 Girl Scouts Western Pennsylvania
**GIRL SCOUT JUNIOR, CADETTE, SENIOR AND AMBASSADOR
 TROOP PROCEEDS OPTION AGREEMENT**

Junior, Cadette, Senior and Ambassador Girl Scout Troops have the option to decide, through unanimous troop vote, to choose additional troop proceeds of 5 percent for the troop treasury. The girls of your troop must discuss this option, and decide if they want individual recognitions or if the troop wants to earn additional funds for troop activities. If the girls vote unanimously to take the additional 5 percent (which brings total proceeds to 20 percent) all monies would belong to the troop as a whole. (See Volunteer Essentials)

Troops that vote for the additional proceeds will also receive the program patches, if levels are met.

We, the girl members of Junior, Cadette, Senior or Ambassador Girl Troop # _____ of Service Unit # _____ - _____ have voted unanimously to accept the Additional Proceeds Option. We understand that in accepting that option we are not eligible to receive individual recognitions. We also understand that all the proceeds earned through the MagNut Program belong to the troop and not to the individual.

All troop members must sign the agreement. Attach an additional page if necessary.
