Week of Oct. 27	Troops pick up cookie orders from cupboards (Cupboards will have varying dates and times for pick-ups.)

Week of Nov. 17	Troops return unsold cookies to cupboards (Cupboards will have varying dates and times for returns.)

Earning extra proceeds for your troop is as easy as 1, 2, 3...

1. Be sure that your troop's ACH Electronic Debt/Credit Authorization form is on file or submitted by Sept. 22, 2025.
2. Set up your booth locations by contacting a local business or your polling place or researching community events happening Nov. 1-9.
3. Using eBudde, order the cookies you need from the cupboard closest to you.
4. Have fun selling cookies at your booth!*
5. Return any unsold packages or cases of cookies (in new condition) to council offices by Friday, Nov. 21. Troops only pay for cookies not returned!

*Digital Cookie is currently unavailable for this part of the cookie program, so we recommend having a method to accept credit card payments. Please note that the setup and associated fees are the responsibility of the troop.

"We started a new troop this year. So the election week cookie booths helped us earn funds."

"This gets the new girls excited for cookie season!"

-Troop leaders who participated in 2024

"The ability to have a zero financial risk booth sale is phenomenal. In just 2 booth sales, we funded the first 6 months of our troop year and our first camping trip."

-Troop leader who participated in 2024

Placing a troop order for election week cookies

- Orders are placed directly to the desired cupboard pick-up location.
- **KEEP YOUR SCHEDULED TIME** for pick-up. Due to the quick turn-around for agent delivery and troop pickups, it is very important that someone from the troop pickup cookies on the date and time selected.
- **PLEASE NOTE: Select cupboard locations are pick-up ONLY.** If you select a cupboard that provides pickup only, cookies must be returned to a council office or the troop will be financially responsible for unsold cookies. Cupboards available for pick-up only will be noted in the 'Scheduled Notes' that appear once the desired cupboard location is selected.

1. Click on the *Transactions* tab.
2. Click the "+Add" option.

3. (The Add Transaction window defaults to "Cupboard".) Select the desired pickup cupboard location.
4. Slect the Pickup Date and Time.
5. Enter the name and phone number of the individual picking up the cookies. This is **IMPORTANT** in case the cupboard needs to reach out.
6. Enter the troop's order in full cases.
7. Save the transaction.
