# Additional Proceeds Option Agreement

(Option is open to Junior, Cadette, Senior and Ambassador Troops and Indie Girl Scouts)

**Cookie Program 2026**

Junior, Cadette, Senior, and Ambassador troops, through unanimous troop vote, can opt out of receiving individual rewards and earn an additional $.10 per package sold. The entire troop must participate in this option, because opting out can't be done on a girl-by-girl basis. If the girls vote unanimously to take the additional proceeds, all money earned belongs to the troop (*See Volunteer Essentials*).

Girls in troops that vote for the additional proceeds option will receive patches, initial rewards, 1000+ level and above rewards, Super Troop t-shirts, and Digital Cookie rewards - if levels are met.

---

We, the girl members of troop # _____ of Service Unit # _____ - _____ have voted unanimously to accept the Additional Proceeds Option. We understand that by accepting this option, we are not eligible to receive individual rewards. We also understand that all proceeds earned through the Cookie Program belong to the troop and not to the individual.

All troop members must sign the agreement below. Use the back of this page if needed.
