Application for Financial Assistance Council Events

What is Financial Assistance?

GSWPA is committed to helping all girls participate in Girl Scouting regardless of their family's income. To encourage participation, GSWPA provides financial assistance to girl members only for membership and for one council- sponsored event and one council-sponsored camp per membership year. For all summer camp sessions, a deposit is required to hold your spot. Deposit amounts per person and per camp session are as follows for each camping experience: Overnight Camps require a \$100 deposit, Troop camps require a \$25 deposit, Family Camps require a \$25 deposit and Day Camps require a \$50 deposit. All deposits are non-refundable.

How Is Finance Assistance Awarded?

Financial Assistance is determined by family size, income, and extenuating circumstances. By filling out our financial assistance application, your girl may qualify for 40% or 80% of the council event fee. Awarding financial assistance is subject to the availability of funds within GSWPA's operating budget.
