

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

It gives me great pleasure to congratulate the Girl Scouts of the USA on its 110th anniversary.

In 1912, founder Juliette Gordon Low created the first troop in her hometown of Savannah, Georgia consisting of only eighteen girls. Following its inception, Girl Scouts of the USA have since flourished into the world's premier leadership development organization for girls, comprised of over 10 million members in 146 countries. For over a century, Girl Scouts has been emphasizing public service and civic engagement, ultimately fostering a sense of community and responsibility in girls across the globe. I am certain Girl Scouts of the USA will continue to encourage girls to embrace their unique strengths and ambitions for many years to come.

As Governor, and on behalf of all the citizens of the Commonwealth of Pennsylvania, I am honored to celebrate this milestone for Girl Scouts of the USA. Please accept my best wishes for an enjoyable event and continued success.
