

Camp Welcome Guide

Camp Redwing

WELCOME TO CAMP

We are excited that you have chosen Camp Redwing to meet your troop's camping needs. We strive to offer an excellent camping facility and great outdoor experiences.

For more than a century, camping has been a cornerstone of the Girl Scout Leadership Experience. It's a tradition that endures because of the fun, friendship, and amazing adventures that take place.

Did you know 80 percent of Girl Scouts who have been camping said it was their most memorable experience? Also, Girl Scouts who have regular outdoor experiences are better problem solvers and challenge seekers, and spending time in nature promotes healthy social development and improves concentration and creative reasoning.

Inside this brochure you will find the following information:

- Emergency contact information
- Procedures and Regulations
- Attractions in the area
- Local shops: for pizza, coffee, groceries, ice cream
- Activities & Amenities available at camp
- Answers to frequently asked camp questions

We hope you enjoy your stay and please remember:

The amazing thing about camp is it truly brings out the best in everyone, and you don't feel like you have to change who you are.

FREQUENTLY ASKED CAMP QUESTIONS:

Where is the dumpster located? On the way into camp, going around the one-way loop, it is on the right hand side between a large shed and a wood pile. Recycling containers are in the lodges with instructions on the lids.

Is firewood provided and where is it located? Yes. Each lodge has a wood shed near the outdoor fire circle. The outdoor units have firewood stored in a wood bin.

Do you supply pie irons, forks, & cook box etc.? Yes. Pie irons and hot dog forks are located on a rack outside the lodge and the cook boxes are located inside the lodge. In the outdoor units the racks are in the unit shelter and cook boxes are in wooden boxes, located in the unit storage room by the refrigerators.

Do you offer ice?

There is an ice machine in the Dining Hall that is in use May-September 30. If the Dining Hall is occupied, please knock and ask permission to get ice. If unoccupied, please contact the Ranger. During the months of November -April, you will have to bring your own ice.

Where can I find the activity equipment? Archery equipment will be at the archery field in the shed. It will be unlocked when the archery instructor arrives to facilitate the activity. Smaller items, such as GPS units will be in the lodges or unit shelters when you arrive. The game balls, will be located in the gaga pit, and additional fee items, such as the pool, canoes, and winter equipment will be discussed at check in.

CAMP OVERVIEW:

Camp Redwing can accommodate large groups with two heated lodges, a dining hall, amphitheater, four platform tent units, and a yurt unit. Camp Redwing offers a large pool with a water slide, a splash pad, canoeing on the creek, and an archery range.

Amphitheater (Day Use): A large outdoor amphitheater with a covered stage area, two dressing rooms, and seating for 100 people. There is electrical lighting in the stage area and two fire circles. This is a great facility for opening and closing ceremonies and other theatrical activities.

Christy Platform Tents: Eight platform tents that sleep 32 with four cots and two storage shelves in each tent. The unit includes a large pavilion with picnic tables, a barbeque pit, and a fire circle with benches. Centralized restrooms with showers and flushing toilets and a storage room with refrigeration are located nearby. Tents are available May 1 through September 30.

Corral Activity Building (Day Use): Just across the swinging bridge is the Corral Activity Building. It is a seasonal facility that can be used for many purposes. In warmer weather, the windows swing up to provide covered, yet open, space. In spring and fall, utilize the large fireplace to warm the facility. The building includes lighting, electricity, and tables with benches. This space is perfect for arts and crafts, games, or larger meetings and gatherings.

Dining Hall and Commercial Kitchen (Day Use): Seats 160 with men's and women's restrooms. The main dining room is open and includes an indoor fireplace. The kitchen is equipped with the following: convection oven (double stacked), stove (two ovens, four burners, and a large griddle), ice machine (seasonal), coffee percolators, mixer, dish sterilizer, walk-in cooler and freezer, double-door refrigerator, single door commercial freezer, and a small microwave. The following equipment is available: 15 tables, 160 chairs and sets of dishes, pots, pans, skillets, cookie sheets, mixing bowls, measuring cups, colander, can opener, pitchers, cooking utensils, buckets, brooms, dust pans, mop, toilet brushes, and dish washing buckets.

Haven Lodge: A winterized lodge that sleeps 22. There are two bunk rooms with four bunk beds each, one bunk room with two bunk beds, and a leader bunk room with two cots. There is seating for 22 with tables and chairs, a full kitchen, an indoor fireplace, and an indoor restroom with two showers and flush toilets. The Haven Lodge has a great sitting porch and a fire circle with benches located just outside the front door.

Laurel Oaks Platform Tents: Nine platform tents that sleep 36 with four cots and two storage shelves in each tent. This unit includes a large pavilion with picnic tables, a barbeque pit, and a fire circle with benches. Centralized restrooms with showers and flushing toilets and a storage room with refrigeration are located nearby. Tents are available May 1 through September 30.

Mary Lodge: A winterized lodge that sleeps 31 on bunk and single beds. On the second floor, there are two bunk rooms with seven bunk beds each and a separate leader room on the first floor that sleeps three. There is seating for 31 at tables with benches, a full kitchen, and an indoor fireplace. This lodge includes a first-floor restroom and restrooms in each upstairs bunk room with two showers and indoor flush toilets. A large pavilion with picnic tables, a barbeque pit, and a fire circle with benches is located nearby.

Mary Lodge & Outback Platform Tents: Mary lodge is a winterized lodge that sleeps 31 on bunk and single beds. On the second floor, there are two bunk rooms with seven bunk beds each and a separate leader room on the first floor that sleeps three. There is seating for 31 at tables with benches, a full kitchen, and an indoor fireplace. This lodge includes a first-floor restroom and restrooms in each upstairs bunk room with two showers and indoor flush toilets. A large pavilion with picnic tables, a barbeque pit, and a fire circle with benches is located nearby. Outback Platform Tent unit has five platform tents that provide additional sleeping capacity for 19. Each tent has cots and storage shelves. This combined unit is only available May 1 through September 30.

Sunnybanks Platform Tents: Ten tents that sleep 40 with four cots and two storage shelves in each tent. This unit includes a large pavilion with picnic tables, a barbeque pit, and a fire circle with benches. Centralized restrooms with showers, flushing toilets, and a storage room with refrigeration are also located nearby. Tents are available May 1 through September 30.

Trails End Yurts: Five yurts that sleep a 36. There are four yurts that sleep eight on bunk beds and one yurt that sleeps four on bunk beds. Although there is no kitchen, there is an enclosed non-winterized shelter with lights, picnic tables, and a fireplace. The unit also includes a fire circle with benches and a covered grill. Centralized restrooms with showers and flushing toilets and a storage room with refrigeration are located nearby. Yurts are available May 1 through September.

EMERGENCY PROCEDURES & DIRECTIONS FOR CAMP REDWING:

In case of serious incident, illness, accident, or injury:

1. Determine extent of injury and give appropriate first aid, as qualified.
2. Call for emergency help.
3. Alert GSWPA at:
 - a. 800-248-3355 (business hours)
 - b. 877-359-7878 (after hours)
4. Speak only to the police or proper authorities. Do not say "No comment" or release names or statements to anyone. Refer all inquiries and media requests to the council spokesperson at 800-248-3355 for more information.
5. Do not sign any statements or reports, except for police.

Arrival: Weekend users may arrive at 4 p.m. No one should be on camp property prior to scheduled time. Please follow the designated time on your User Agreement. The Camp Ranger will unlock the building before each group arrives.

Departure: Weekend users should depart by 1 p.m. Please do not lock the doors when leaving as another group may be arriving after you. It is the responsibility of the user group to clean the site. Allow enough time for this to be a part of your event. An adult should clean the bathroom sinks and toilets and wear rubber gloves. Please use the Rental Departure Form to ensure that all tasks are completed.

Parking: Park in the designated area for each unit. Carry all supplies to the building. Do not drive or park in the grass.

Telephone for Camp Ranger: 724-972-3097

FIRE BUILDING:

Build fires in established areas only. Always have a bucket of water near the fire. Be sure all fires are properly extinguished. Dispose of cold ashes in the small metal ash can. Gather small wood and leave a few large pieces for the next group. Do not dispose of partially burnt logs, these can be used by the next group in their fire. To reduce the environmental impact of wood fires, do not burn excessive amounts of wood. Use only what is absolutely necessary.

EQUIPMENT AND SUPPLIES:

Equipment available in lodges: The following equipment should be available: pots, pans, skillets, cookie sheets, mixing bowls, colander, measuring cups, can opener, pitchers, cooking utensils, plates, bowls, and silverware, as well as a coffee pot and a microwave.

Equipment available in Tent Units: The following equipment should be available: pots, skillets, cooking utensils.

Supplies available at Lodges & Tent Units: Buckets, brooms, dust pans, mop, rake, shovel, bow saw, commode brush, and dish washing buckets. The following paper products and cleaning supplies will be available at all units: toilet paper in each stall, paper towels, hand soap in dispensers, all-purpose cleaner, bathroom cleaner, floor cleaner, and trash bags for each trash can. Users are responsible for any items beyond what is listed above.

Equipment and Supplies groups are required to bring to camp: First Aid Kit, insurance forms, roster of attendees, program supplies, personal gear, bedding, food, special cooking equipment, hand sanitizing products, matches, hot mitts, dish detergent, dish cloth and towel, sponge, and rubber gloves for cleaning the bathrooms. A battery-powered radio, this brochure, and a flashlight.

CAMPSITE RULES AND REGULATIONS:

Food Handling Procedures

- Stored food should be kept off the floor in properly sealed containers. Doors to food preparation areas should be closed.
- Refrigerated food should be kept in temperatures below 40°F. There is a thermometer in all refrigerators. Check the temperature to make sure that it does not exceed 40°F. If the refrigerator is above 40°F, please note it on the Site Maintenance Card.
- Garbage and rubbish cans in the kitchen are to be leak-proof and securely covered or tied when not in use. This will reduce the number of flies and other insects on or around exposed garbage in order to control/prevent the spread of disease.
- Use only clean and sanitized utensils and equipment during food preparation.
- Food contact surfaces including counters, cutting boards, and knives that contact raw food during food preparation must be cleaned and sanitized after each use. It is suggested to use a bleach solution or other commercial sanitizer between times of use.
- Anyone involved in food preparation should take the appropriate safety precautions when holding, cooling, thawing, and serving food. The minimum temperature for holding hot foods is 140°F. Food temperature should be monitored periodically.

Dishwashing Procedures

- For washing dishes by hand, the wash and initial rinse temperature should be at least 100°F. A second-rinse process should be used with sanitizing tablets or a bleach mix.
- All dishes and food service utensils must be air dried and protected from dust and contamination between uses.

Waste Disposal

Place trash in lined garbage bins. Before leaving the site, take the closed bag, including the trash from the bathroom, to the designated dumpster. Slide either of the side doors to deposit bags. Pick up all litter on the property. Encourage girls to recycle. Take recyclables home if your community has a pick-up day or drop-off location. Please check the camp map for locations of dumpsters.

Vandalism

Discuss site usage with the group. Tell them how to respect the property and to observe the following: do not cut down live trees; do not write on walls or tents; do not destroy the natural habitat; do not pick plants or wild flowers; and do not carve into trees or tables. Graffiti is not tolerated. Once it starts, it spreads! Please stress this with the group. A fine will be assessed to individuals and/or groups defacing and/or destroying property. Groups misusing sites may be denied future reservations.

Health Care

An adult with CPR, First Aid and AED certification from a nationally recognized provider must accompany the group to provide emergency care. User groups are to provide their own first aid kit, be responsible for emergency transportation, and provide first aid and emergency care.

Health Information

User groups are to have the following information for all group members at camp: name and address of all participants; emergency contact names and numbers; a listing of any persons with known allergies or health conditions requiring treatment, restriction, or other accommodations while on site; a signed permission to seek emergency treatment or a signed religious waiver for minors without a parent on site.

Safety Procedures and Regulations

- Gas, liquid flammables, explosives and hazardous or poisonous materials must be handled only by persons trained or experienced in their safe use and disposal. They must be stored with access limited to trained persons, in closed safe containers that are clearly labeled and in locations separate from food. Some cleaning products may be poisonous and children should be supervised in their use. Such materials should be stored out of the reach of children when not in use.
- Campers should alert an adult if they see a “stranger” in camp. Adults should approach anyone perceived as a stranger (if appropriate) and ask them why they are in camp. If the person(s) are not a member of another user group, they should be told to leave camp. If an adult does not feel comfortable approaching a perceived “stranger,” call the Ranger or the police for assistance.
- Use the “buddy system.” Girls should be supervised and must let an adult know where they are at all times.
- Do not transport campers in non-passenger vehicles, such as the back of pick-up trucks or wagons, where seats are not attached to the vehicles.
- Drive slowly and follow posted speed limits and directional signs.
- Running is encouraged at camp during games and on grassy areas. Please walk on gravel roads and unstable trails.
- Socks and closed toe shoes or sturdy sports sandals with heel straps must be worn at all times. NO FLIP FLOPS OR CROCS!
- NO FOOD IN THE TENTS.
- Treat all campers in your group and in other groups with respect.
- Clotheslines should be removed when not in use.
- Group leaders should organize and carry out a fire drill on the first day of camp.

- Open flamed candles are not permitted to be burned inside buildings, or yurts.
- An adult must be designated to supervise camper arrival and departure.
- Hunting is not permitted in camp. During October, November and December, campers are advised to wear bright clothing and not stray from the group.
- The council leases sites to non-Girl Scout groups. Girl Scout groups have first priority. User groups with boys or men are not to enter living areas other than the one they have reserved. They are to limit exploration of the grounds to common areas such as the road, trails, and other program areas. An adult must accompany groups with males to areas outside of the unit/building.
- Minimal Impact Camping - Leave no trace of activities. Preserve the landscape of the site, as well as the solitude and spirit of the wilderness.

Personal Property Regulations

- The possession and/or use of illegal drugs and alcohol is prohibited.
- Smoking is not permitted in cabins, tents, yurts or buildings. User groups should designate a smoking area that is away from children and nonsmokers.
- Personal sports equipment such as archery equipment, canoes, or other equipment that should be stored and handled safely for the protection of all individuals, should be stored away from campers when not in use.
- All vehicles are to be locked and parked in the designated parking areas. At no time should any vehicle be driven off road or parked on the grass.
- Personal pets are not permitted in camp.
- Firearms and weapons are not permitted on camp property.
- Girl Scouts Western Pennsylvania (GSWPA) is not responsible for the loss or damage of user group personal property.

CAMPER SUPERVISION RATIOS:

Adults must be present in the following ratios at all times for general camp activities that do not require special technical skills, equipment or safety regulations:
