Camp Confirmation Packet:  
Troop/Family Camp

Dear Camp Redwing family, groups, and friends,

We are so excited to welcome you to Camp Redwing this upcoming summer. We are proud of the planning and preparation for the many fun and exciting activities and programs we have this season. We are thrilled that you will be joining us to go on many adventures, make new friends (and keep the old!), and make incredible memories that you will carry throughout your lifetime.

Camp Redwing is a magical place where a Girl Scout can be her authentic and empowered self. This confirmation packet is intended to be read by you, the Girl Scout attending camp, and has been designed to effectively prepare you for your time at camp. If you have an adult helping you plan, pack, or do anything else to prepare for camp—read this together.

This confirmation packet includes important information that you will need to review before you arrive at Camp Redwing. Please be sure to read it in its entirety to fully prepare you for your camp adventure!

Once again, our forms and paperwork are going digital! You will be sent the needed forms after your registration is processed. These forms are so important because they help us understand who you are, what you do and do not like, and what you're most excited for at camp. In the event you forget to submit a form, there will be copies available to complete at check-in. *These forms are required.*

We are looking forward to a fantastic summer at Camp Redwing, and we are excited for you to join in the fun.

See you at camp!

Electronic use at camp greatly contributes to homesickness and thus affects your camping experience. However, the use of cell phones and electronic devices is at the sole discretion of the troop leader/adult in charge.

Camp Redwing and Girl Scouts Western Pennsylvania cannot be held responsible for items lost or stolen at camp. In addition, Camp Redwing does not have secure places for these items to be charged or stored.
