

Camp Skymeadow

Camp Confirmation Packet:
Overnight Camp

Dear Camp Skymeadow camper,

I am so excited to welcome you to Camp Skymeadow this upcoming summer. The camp staff and I are proud of the planning and preparation for the many fun and exciting activities and programs we have this season. We are thrilled that you will be joining us to go on many adventures, make new friends (and keep the old), and make incredible memories that you will carry throughout your lifetime.

Camp Skymeadow is a magical place where a Girl Scout can be their authentic and empowered self. This confirmation packet is intended to be read by you, the Girl Scout attending camp, and has been designed to effectively prepare you for your time at camp. If you have an adult helping you plan, pack, or do anything else to prepare for camp—read this together.

This confirmation packet includes important information that you will need to review before your arrival at Camp Skymeadow. Please be sure to read it in its entirety to fully prepare you for your camp adventure!

Again in 2024—our forms and paperwork are going digital! You will be sent the needed forms after your registration is processed. These forms are so important because they help us understand who you are, what you do and do not like, and what you're most excited for at camp. In the event you forget to submit a form, there will be copies available to complete at check-in. *These forms are required.*

We are looking forward to a fantastic summer at Camp Skymeadow, and we are excited for you to join in the fun.

See you at camp!

This is an acknowledgment that your adult gives permission for you to attend overnight camp. This form allows you to disclose any health needs, medication needs, dietary needs, etc. This form also acknowledges your safety at camp. This form is an acknowledgment that you will abide by the Girl Scout Law and Girl Scout Promise during your time at camp. Failure to abide by the Camper Code of Conduct may result in dismissal from activities or camp.

This form provides the camp director and healthcare manager with any crucial medical information to ensure you have a safe experience at camp as well as any needed information in the event of an emergency. Please prioritize having this fully filled out prior to arrival at camp.

Camp Procedures

Check-In and Check-Out Procedures

Check-In

Check-in time is 2 p.m. for all campers. Early arrivals will be queued at the front gate until check-in time.

Upon your arrival at Camp Skymeadow, you will queue on the main camp road leading up to the Barn. There, you will check in with the camp director and camp healthcare manager.

At the check-in stop, you will do the following:

- Greet Cakes, the Camp Skymeadow Camp Director. She will verify your name and camp session, check your forms, communicate your unit and unit leader for the week, and be available for any questions you may have.
- If needed: meet our camp healthcare manager to check in any medications and/or discuss any medical needs, communicate and confirm any food allergies, and ask any questions you may have regarding health management or dietary needs.
- Complete your health check with the camp healthcare manager. This is to ensure the health and safety of all Girl Scouts and includes a temperature check, scalp check for lice, and a check for hand, foot, and mouth disease.
- Once your health check is complete, your adult may drive you and your luggage to your assigned unit.
- You will then be greeted by a camp staff member from your unit who can answer any questions you may have and help you meet new friends. Once the luggage is unloaded, this is your time to say goodbye to your adult!

Check-Out

Check-out will take place near the Barn, just like check-in, and will begin at 11 a.m. We ask that everyone is picked up by noon. When your adult arrives and it is their turn, they will:

- Greet Cakes and present their photo I.D.
 - **This I.D. MUST match the name(s) you have listed on your camper check-out form.**
- Greet you and check in with camp staff about the week.
- Retrieve your luggage and return with you to their vehicle.

Living Accommodations

You will find out your living unit at check-in. Living units are determined by enrollment numbers, camp session activities, and any other needed accommodations. At Camp Skymeadow, we have the following living accommodations:

- Platform Tents at Forest and Alpine
 - Platform tents are large canvas tents that accommodate four Girl Scouts.
 - Each platform tent unit has four composting toilets available for use, and showers are nearby at the pool shower house.
 - Each platform tent unit has a pavilion and fire ring that you will utilize throughout the week.
 - Platform tents do not have electricity. Cakes recommends packing fairy lights or other battery-powered lights to decorate the tent or lodge.
- Forest and Alpine Lodge
 - Lodges include bunk beds and accommodate anywhere from 15-34 Girl Scouts.
 - Lodges include flush toilets and shower facilities.

Emergency Procedures

Camp Skymeadow has a comprehensive and extensive Emergency Action Procedure Plan that includes emergencies such as inclement weather/flooding, fire, missing camper, etc. A copy of this plan is available to review at check-in if desired.

Inclement weather such as thunderstorms does sometimes occur during camp. During a thunderstorm, all campers will be indoors until the storm passes and there is no thunder or lightning for 30 minutes consecutively.

If you have a personal or family emergency occur during your time at camp, your adult can contact the camp director. At this time, an action plan can be made that includes talking about the emergency, arranging pick-up (if needed), and any other needs. The camp director for Camp Skymeadow, Cakes, can be reached at:

Kayla "Cakes" Cook

E: kcook@gswpa.org

During business hours (Monday-Thursday from 8:30 a.m.-5 p.m. and Friday from 9 a.m.-noon), you may also call our customer care line at (800) 248-3355 and they can patch you through directly.

Vegetarian options are available at each meal and vegan/gluten-free options can be made available with advance notice. If you would prefer to bring your own gluten-free/vegetarian foods (gluten-free graham crackers, gluten-free bread, vegetarian marshmallows, etc.) please let the camp director know before arrival.

Please refrain from bringing additional snacks or food to camp, packing them in your luggage, or having them sent in care packages. This is to prevent wildlife from intruding into your living space. Any food packed or brought will be put away inside our Dining Hall and returned at check-out.

Celebrating Birthdays at Camp

If you will be celebrating a birthday during your time at camp, a special treat from our camp staff will be provided for you and your unit to celebrate! Please remind camp staff at check-in about your upcoming birthday while at camp.

Electronics at Camp

Camp has a policy of no electronic equipment. This includes cell phones, electronic games, iPod/MP3 players, laptops/iPads, hair dryers, etc. Electronic use during overnight camp greatly contributes to homesickness and thus affects your camping experience.

Camp Skymeadow and Girl Scouts Western Pennsylvania cannot be held responsible for items lost or stolen at camp. In addition, Camp Skymeadow does not have secure places for these items to be charged or stored. Any electronic devices will be confiscated, locked in the office, and returned to your adult at check-out.

Lost and Found

Please label all items packed for camp with your name. Any lost and found items from the week will be on display at check-out. Lost and found will be stored at camp until the conclusion of the camp season—August 30, 2024—with every effort to reunite lost items with campers. After this date, lost and found items will be donated or discarded.

Mail

Adults—mail is an important part of overnight camp and campers look forward to receiving notes and letters from their friends and family. You may either leave mail at check-in (labeled with your camper's name and the day you would like them to receive it) or you can mail it ahead of time to camp. Do not include any food in any care packages or mail! **Please be sure to send items approximately two weeks prior to your Girl Scouts camp session to ensure their arrival time.**

Swim Check

During your first visit to the swimming pool, you will participate in a “swim check.” During the swim check, you are asked to swim across the pool and tread water. This determines if you can freely swim in the deep end of the pool. If you do not pass the swim check, that is okay! You can swim freely in the shallow end of the pool. Camp Skymeadow always has a lifeguard on duty.

Photos of and Updates

Photos will be taken during camp of you participating in various camp activities. These photos will be uploaded to the Rallyhood page throughout the week. (Your adult will receive an email invitation to this page). Updates and fun tidbits about your unit and session will also be shared on Rallyhood. Due to extremely limited internet service and a busy schedule, Cakes does her best to upload photos and updates as often as possible.

Trading Post

Camp Skymeadow has a camp store, which we call the Trading Post. You will visit the Trading Post at least once during your stay at camp. The Trading Post has items like camp T-shirts, sweatshirts, ice cream, stickers, playing cards, etc. that range in price from \$3 to \$40.

Adding money to your trading post account is optional. We recommend about \$25/week. To provide a smoother and safer service, overnight camp is going cashless. You can use our [virtual Camp Trading Post](#) to deposit funds or elect to use Girl Scout Bucks or Indie Girl Scout Program Rewards. Money that is not spent during the week will be returned in the form of a gift certificate.

Equestrian Program

Each week at Camp Skymeadow, every girl will have the opportunity to go horseback riding at least once. All safety gear and equipment will be provided. Please remember to bring footwear for riding—either riding boots, hiking boots, or sneakers with a slight heel. If you are unsure or want to double-check, reach out to the camp director, Cakes.

****If you are signed up for a horseback riding camp session, you will visit the barn once a day while at camp. Please pack enough pairs of long pants to accommodate****
